Let's fly, let the Blue Heron lead you...
Join her, rising up to see Earth's view.
Circle our blue planet, give it a hug, {repeat 2 last lines}
Sing your celestial debut.

REFRAIN:

*My dear Blue Heron, carry my song
All over... far and beyond...
Tell everyone that the world is so fragile... {repeat 2 last lines}
And help all of us get along.*

1st VERSE IN RUSSIAN:

Krylya gahlubiya nisut nahs
Vvis' vsmif nad planetou maloy...
Ty ahbnimi nashu Zehmliu tiplo {repeat 2 last lines}
I spoy pro svoy zvyozni chahs.

REFRAIN IN RUSSIAN:

*Zhur'avlik sizy, pesnyu moyu
Nisi vdahl', cherez marya...
Rasskazhi vsem, shto nash mir ochen' hrupok- {repeat 2 last lines}
Zabyt' nam ob etom nil'za.*

Hear Heron's wings splashing air,
Kindly, quietly show you care,
Watching her wave, calling: "Follow your dream!
Never give up, always dare!" {repeat 2 last lines}

REFRAIN (repeat)

Heron, you're my blue-feathered poem,
You rhyme with blue waves' soothing foam...
Build your nest over my roof, and help keep {repeat 2 last lines}
Peace in my home, sweet home

REFRAIN (repeat)

REFRAIN IN RUSSIAN (repeat)

Dedicated to Professor Vulis, the inventor and the head of the lab for the development of the plane/rocket engine

Also, many thanks for inspiration and sharing his endless kindness to my Yoga teacher, Pondurenga (Pondi) Das, and special thanks to Michael Patch and Richard Leddy for their creative input and support

Russian verse and chorus IN RUSSIAN:

Крылья голубые несут нас
Ввысь взмыв над планетою малой...
Ты обними нашу Землю тепло (2 раза)
И спой про свой звёздный час. - 2 посл. стр.)

ПРИПЕВ:

Журавлик сизый, песню мою
Неси вдаль, через моря...
Расскажи всем, что наш мир очень хрупок (2 раза)
Забывать нам об этом нельзя - 2 посл стр.)
