CHORUS

In memory of Baal Shem Tov. May the spirit of my revered ancestor lives forever and ever, may his service to the community continue being a great example and inspiration in our times and beyond!
This song was inspired by the teaching Tikkun Olam "REPAIR THE WORLD" (Kabbalah) that has been instrumental in laying the foundations for the social justice movement.

Many grateful remarks for the editorial critique of the lyrics, inspiration and support to the songwriters Victor Sadot, Michael Wendroff Valentine, Richard Leddy and JC Tourbillon. What a pleasure to be a part of the vibrant community of the Bay Area Songwriters!
